

NEW YORK COLLEGE
EUROPEAN & AMERICAN EDUCATION

Phd by Publication - New York College

AIMS

Many high-calibre professionals with excellent academic qualifications undertake research and developmental activities while working. Bolton University provides a Ph.D by publication that will formally acknowledge your work at the highest level. The programme is designed so you don't have to leave work. It is aimed primarily at those whose work is primarily in research or involves a substantial research element and enables them to receive academic credit for work which is at doctoral level.
