

**NEW YORK COLLEGE**  
EUROPEAN & AMERICAN EDUCATION

## MPhil/Innovation (Psychology) - New York College

### **AIMS**

The programme is aimed at psychology graduates who seek to develop in depth knowledge in a specific area of psychology and produce research to a high level of academic achievement.

Interested candidates can select topics that fall under the areas of expertise of the NYC faculty.

### **Duration**

The minimum period of study for the MPhil is 1.5 years (3 years part-time).
